

Monona County Zoning - Board Vacancy

The Monona County Zoning & Planning Commission has a vacancy for (1) board member. If you would like to have role in helping improve land use in Monona County, we would like to hear from you. We are looking for someone from the Castana or Mapleton area.

The Zoning & Planning Commission holds morning meetings, on the 3rd Thursday of every other month. Meetings are typically completed in 60-90 minutes. On occasion, the commission may need to meet on a different date or hold extra meetings. The commission will review zoning amendments, recommend ordinance updates and have other policy-making responsibilities, in an advisory capacity only.

Educational materials, including roles and responsibilities are provided to all zoning & planning commission members.

Members' Responsibilities to the Zoning & Planning Commission

- Willingness to dedicate the time and energy to zoning & land use projects in Monona County
- Willingness to learn more about zoning issues in the county and state
- Ability to evaluate problems and support resolutions for zoning issues
- Possess integrity and commitment
- Regular attendance and active participation at board meetings and public hearings
- An understanding of the zoning regulations
- Be informed about the organization's vision, mission, policies and services

If interested in becoming a board member or need more information, please call the Monona County Zoning Administrator at 712-433-3400 or send an email mocoenvr@mononacounty.org. The zoning regulations and other information related to Zoning & Planning Commission are available on the county website at: www.mononacounty.org – [zoning tab].
